Insert slip gauge as far as possible between clutch housing and slave cylinder and note position of notches (arrow) in gauge.

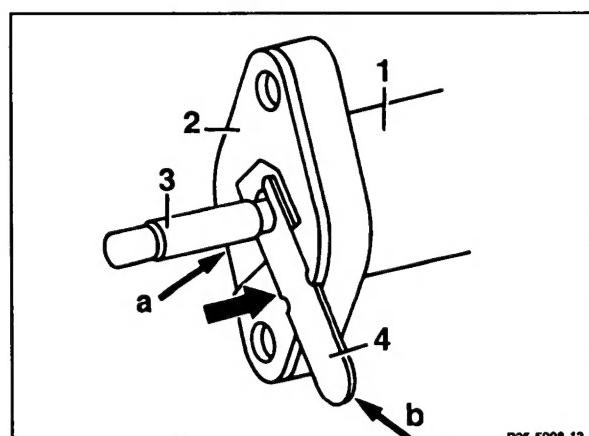

If notches are not visible:
Clutch disk wear is acceptable.

P25-5008-13

If notches are visible:
Wear limit of disk has been reached.

Replace clutch disk.

P25-5008-13

- 1 Slave cylinder
- 2 Shim between slave cylinder and clutch housing
- 3 Actuating rod
- 4 Slip gauge
